

*** * * ATTENTION RESIDENTS * * ***

All sidewalks in the City must be kept clear of obstructions. This includes but is not limited to parked vehicles, building supplies, equipment, machinery, limbs and brush per **Ordinance No. 345, Section 3. Nuisances Unlawful; Defined; Exceptions.** The full ordinance is available at the city office or at www.havilandks.com. Blocking sidewalks is considered a nuisance, and citations will be given to offenders.

Thank you for your cooperation in this matter for we are trying to maintain a safe and nuisance free city for all Haviland residents.
